2018 ACS WI Local Section Affiliate Membership

Dear colleague,

I invite you to become an Affiliate Member of the ACS Wisconsin Local Section.* We are sure you will find it worthwhile to belong and to have access to ACS grant opportunities, partake in Local Section activities, be able to propose new events and endeavors, and simply be a part of ACS at the community level. Highlights of our activities in 2017 included the March for Science, National Chemistry Week, Earth Day, Science Olympiad, and the visit to the UW–Madison Dairy Research Center.

We plan to carry out many of these activities again during the coming year as well as conduct new ones. Remember, you are always welcome to suggest activities and ideas. That's good reason to become a member. Do so now by simply filling out the Membership Form below and sending it to me, as treasurer, along with your payment.

Best wishes,

Ilia Guzei
